You barely did anything!

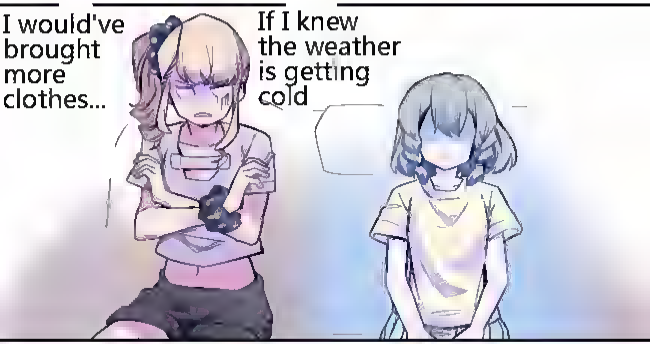
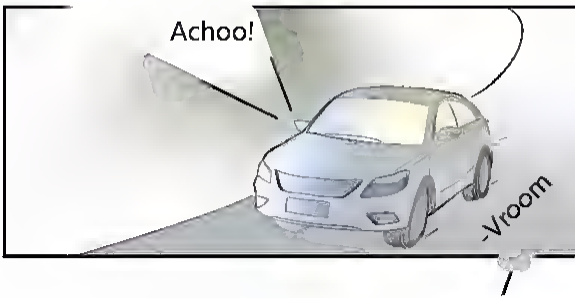
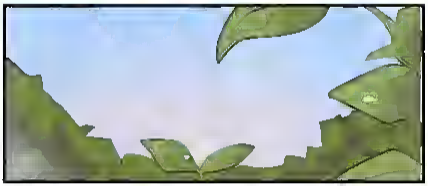
I've got this dreadful feeling all of a sudden

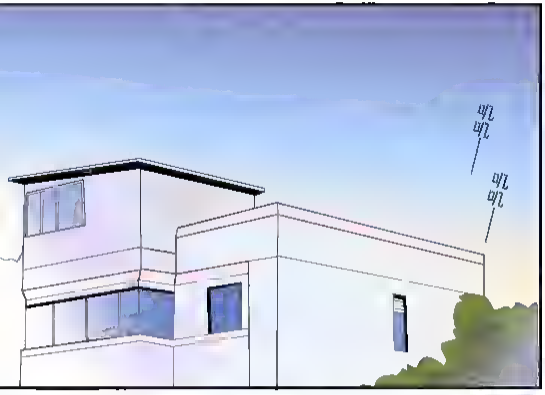


I would've brought more clothes...
If I knew the weather is getting cold



Achoo!
Vroom





Uh

It's
so
cold
?

Ha...
finally free
from the
car seat

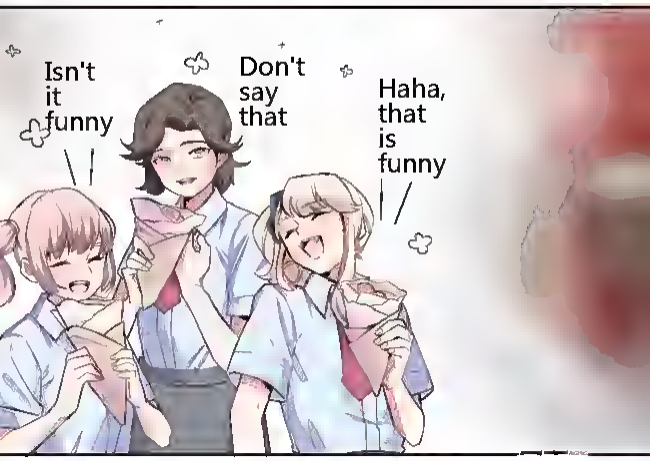
It was true!
"Ghost Press Bed" happened to me last night...
Haha!
Probably you were just too tired
And you almost drowned to death?

Wetted your bed!
Or you just...
No Way!!!

OK, calm down, CoCo
How about I buy you some crepes after school?
I'm serious, I'm telling you what's bothering me...
And you make fun of me...
Dreams are just a reflection of reality

NOW-DO.COM



Isn't it funny
Don't say that

But what was that dream last night...

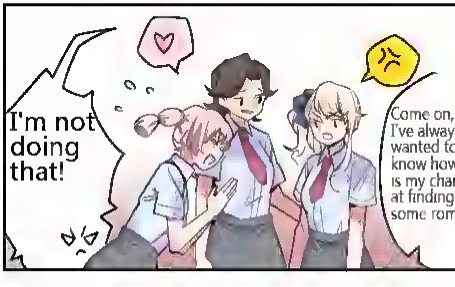
Look!

There's a psychic!

Sigh...people still believe that?

It looks fun!

Let's check it out!



Hey!
You there!
Hum?
No!

It seems that you've got a big trouble..
